About Citi

Citigroup Inc., doing business as Citi, is a major American financial services company based in New York, NY. Citigroup was formed from a merger between Citicorp and financial conglomerate Travelers Group. Citigroup is active in 107 countries with approximately 12,000 offices worldwide.

Citigroup suffered huge losses during the global financial crisis of 2008 and was rescued in November 2008 in a massive bailout by the U.S. government.
