## MUFG Group Environmental Statement and Policy

### Environmental Statement

We, the directors and employees of MUFG, recognize that protection of the global environment is the responsibility of all human beings and, as a good corporate citizen, MUFG fulfills its social responsibility by working actively towards the realization of a sustainable environment. Through our business activities, we will support environmental protection efforts by both industry and individuals that contribute to realizing a sustainable society.

### Environmental Policy

In accordance with the spirit and philosophy outlined in its Environmental Statement, We, the directors and employees of MUFG will:

1. Comply with all laws and regulations related to environmental protection and other requirements to which Group companies subscribe;
2. Support business activities that contribute to the protection and improvement of the environment through the provision of high-quality financial products and services, and aim to reduce environmental risks;
3. Recognize the environmental burden caused by consumption of resources and release of waste from our own business activities and aim to protect the environment through resource recycling as well as efficient use of energy and resources;
4. Monitor the effects of our activities on the environment and work towards continuous improvement and pollution prevention;
5. Provide in-house environmental education and support and promote environmental protection activities of individual directors and employees both during and outside working hours;
6. Inform the entire Group and the general public of our environmental statement and policy and help raise awareness of environmental issues through extensive communication.
