ABN AMRO Bank N.V. is a Dutch commercial bank with headquarters in Amsterdam. Its origins date back to 1824. It was re-established, in its current form, in 2009 following the acquisition and break up of ABN AMRO Group by a banking consortium consisting of Royal Bank of Scotland Group, Santander and Fortis. ABN AMRO serves retail, private and commercial banking customers in the Netherlands and to a lesser extent in other markets, where it prioritises serving Dutch companies doing business abroad. It is also active internationally in areas where it claims to have substantial expertise, such as Energy, Commodities & Transportation (ECT) and ABN AMRO Clearing. Its private banking activities are focused on the Netherlands, Europe and Asia.
