## Equator Principles

---

### Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

ASN Bank is reporting on the implementation [here](#).

### Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which ASN Bank is also involved, please get in touch with our [Equator Principles team](#).

### 2016

### ASN Bank works towards living wage in the garment industry

In 2016 ASN Bank made a commitment to work towards realisation of a living wage among its investee companies, beginning with the garment industry. It has set itself the target: "all garment companies in the ASN Investment Universe to have introduced a living wage by 2030." This concerns the fourteen...
