About Bancolombia

Bancolombia is the largest commercial bank in Colombia and one of the largest in Latin America, providing a range of financial products and services to both individual and corporate customers. The bank is headquartered in Medellin and was founded in 1945. Bancolombia is listed on both NYSE and the Colombian Stock Exchange. Bancolombia is the first Colombian financial institution to adopt the Equator Principles.

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Bancolombia is reporting on the implementation [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Bancolombia is also involved, please get in touch with our [Equator Principles team](#).
