About Bank Muscat

Bank Muscat, founded in 1982, and is the leading financial services provider in the sultanate of Oman. The bank provides services in corporate banking, retail banking, investment banking, islamic banking, treasury, private banking and asset management. In addition, the bank has direct and indirect presence in all six Gulf Cooperation Council states, a representative office in Singapore which focuses on financial institutions and trade business, and is an associate in a securities company in India. Bank Muscat was the first Middle Eastern bank to adopt the Equator Principles in 2007, and is profiled as part of BankTrack's [Equator Principles Track and Chase project](#).

BankTrack campaigns and Bank Muscat

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Bank Muscat is reporting on the implementation [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Bank Muscat is also involved, please get in touch with our [Equator Principles team](#).
