## Sustainability

### Voluntary initiatives

Bank of China has committed itself to the following voluntary standards:

- [Global Reporting Initiative](#)
- [Guidance on Corporate Governance of Commercial Banks](#)

### Investment policies

Bank of China has a corporate social responsibility webpage, [which can be viewed here](#). The bank declared its CSR policy improvements as listed below:

**2019** In its 2019 CSR report, the bank listed on Environment: Develop green finance, Improve credit structure, Practice green operation, Project environmental risk assessment, Environmental performance collection and disclosure, Green public welfare activity.

**2012** Draft and improvement of credit policies related to environmental protection as well as energy savings and emission reductions, however there was no public announcement.

**2011** The bank developed credit policies concerning environment protection and energy-saving and emission-reducing credit. However, the policies were issued as an external file and were not disclosed to public.

**2010** In May 2010, the Bank published "Guidelines for Support of Energy-saving and Emission-reducing Credit", providing systemic guarantees to green credit promotion and development.

**2009** The bank published "Credit Policy Guidelines for Support of Energy-saving Emission-Reducing Projects", as well as an interpretation of the guidelines in the media.

Bank of China's subsidiary [Bank of China Hong Kong](#) has published environmental and csr policies on [its corporate and social responsibility webpage](#) as listed below.
