About Bank of Guizhou

Bank of Guizhou operates as a commercial bank and was founded in September 2012. The bank is headquartered in Guiyang, China. It operates through the following three segments: Corporate Banking, Retail Banking and Financial Markets. The Corporate Banking segment provides financial services, including corporate loans, and deposits. The Retail Banking segment offers a wide range of services to retail customers, including loans, deposits and bank cards. The Financial Markets segment primarily includes investment business, money-market transactions, debt securities and distribution, interbank discount and rediscounting of bills, as well as asset management business.

In November 2020 Bank of Guizhou adopted the Equator Principles. The bank is profiled as part of BankTrack's [Tracking the Equator Principles campaign](#).

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Bank of Guizhou is also involved, please get in touch with our [Equator Principles team](#).
