## About BMCE Bank of Africa

In 1959 BMCE was founded by the Moroccan government as a public bank. It was the first Moroccan bank to establish a presence outside of Morocco in 1975. The privatisation of BMCE was realized in 1995 after being acquired by the Financem Group. Since privatisation, BMCE Bank has consolidated its position as an international banking institution, adopting a universal banking model. BMCE Bank has a broad regional coverage in Morocco and has branches throughout Africa, Europe, Asia and North America.
