About BTG Pactual

BTG Pactual is a Brazilian financial company founded in 1983 in Rio de Janeiro. It started as a brokerage firm, but now operates in the markets of investment banking, wealth management and asset management. Its clients are companies, retail and institutional investors, as well as municipal, state and federal governments. BTG Pactual has offices in the main Latin American cities and in the world's leading financial centers.

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which BTG Pactual is also involved, please get in touch with our [Equator Principles team](#).
