## Sustainability

### Voluntary standards

China Construction Bank has committed itself to the following voluntary standards:

- [Banking Environment Initiative](#)
- [Global Reporting Initiative](#)
- [Guidelines for Ecological Environmental Protection of Foreign Investment Cooperation and Construction Projects](#)

### Investment policies

China Construction Bank has no publicly available investment policies. The bank's [CSR web page](#) only lists its most recent annual CSR reports.

**2018** [China Construction Bank stated to](#) “become a bank that serves the general public, promotes people’s livelihood, facilitates low carbon and environmental protection, and achieves sustainable development. With focus on global climate change, CCB adheres to the strategic approaches to use financial power to promote environmental protection and harmonized development of society.”

**2017** In CCB's 2017 annual report it stated that "the Bank includes “Green Banking” as a goal in its medium-and long-term business planning. It has vigorously improved the green credit policies and system, developed green credit businesses, strengthened

environmental and social risk management, and enriched green credit products and services."

**2016** CCB states in its 2016 CSR report that "it takes its environmental responsibilities seriously and provides strong support for low-carbon economy."

**2014** The bank declared in its CSR report improvements listed below: "CCB gives priority to developing financial services for small enterprises and providing better financial services to address the public needs for the 'Three Rural' and facilitate the development of the western region."

"CCB undertakes its environmental responsibility conscientiously and strongly supports the low carbon economy and environmental protection industry. The bank is also attentive to social needs and actively participates in charity work to ensure it gives back to society. It is concerned with community development and contributes to the improvement of the harmonious development of society."

The important topics for CCB were identified in its CSR report 2014, including:

- support green credit policy
- enhance customer satisfaction
- staff incentive programs
- inclusive financial services
- operation continuity
