About DekaBank

DekaBank Deutsche Girozentrale (DekaBank) was founded in 1918, and is called the *Wertpapierhaus von den Sparkassen-Finanzgruppe* (provider of asset management and capital markets solutions for the savings banks finance group). DekaBank is a German public institution with registered offices in Frankfurt am Main and Berlin. Together with its subsidiaries it forms the Deka Group. The group provides securities services for savings banks in Germany and internationally, and is active in the business areas of capital market asset management, real estate asset management as well as corporate & markets. DekaBank became an Equator Principles signatory in 2011, and is profiled as part of BankTrack's [Tracking the Equator Principles campaign](#).

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

DekaBank is reporting on the implementation [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which DekaBank is also involved, please get in touch with our [Equator Principles team](#).

[RWE financiers urged to join DekaBank call to stop destruction of Hambach forest](#)

[Following Dekabank's welcome public call on RWE to suspend clearing work at Hambach forest in Germany, European civil society campaigners are urging other financiers to follow suit and reconsider their financial ties with the coal utility. German and European civil society organisations sent a letter last week to...](#)
