About Ecobank

Ecobank Transnational Incorporated was established in 1985. Ecobank is a full-service bank operating in 36 African countries. The bank provides wholesale, retail, investment and transactional banking services to governments, financial institutions, multinationals, local companies, SMEs and individuals. These services are delivered by three business segments: Corporate Bank, Domestic Bank and Ecobank Capital. Ecobank became a signatory to the Equator Principles in January 2012, and is profiled as part of BankTrack's [Tracking the Equator Principles campaign](#).

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Ecobank is reporting on the implementation [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Ecobank is also involved, please get in touch with our [Equator Principles team](#).
