Ownership

FMO is majority-owned (51%) by the Dutch State, 7% is held by trade unions, employer's federations, companies and individuals. The remaining 42% is held by Dutch banks: ABN Amro, ING and Rabobank.

FMO is the Dutch development bank supporting companies, projects and financial institutions from developing and emerging markets. It specialises in sectors where its contribution can have the highest long-term impact - financial institutions; energy and agribusiness, food & water situated in high risk developing countries. In addition, FMO manages a number of specific development funds on behalf of the Dutch government.
