KBC's shareholder structure can [be accessed here](#).

KBC was established in 1998 from a merger between two Belgian banks, the Kredietbank and CERA Bank, and the Belgian insurance company ABB. KBC is an integrated bank-insurance group, catering mainly to retail customers, small and medium-sized enterprises and private banking clients. It operates in its home markets of Belgium and Central and Eastern Europe, where it specialises in retail bank-insurance and asset management activities, as well as in the provision of services to businesses. The group is also active in a selection of other countries in Europe in private banking and services to businesses.
