Equator Principles

Implementation and reporting
The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs here.

Nedbank is reporting on the implementation here.

Contact and complaints
The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Nedbank is also involved, please get in touch with our Equator Principles team.

Good moves

2021

Nedbank targets zero fossil fuel exposure by 2045.
Nedbank has today released its Energy Policy and its updated Climate Change Position Statement. The Energy Policy is by far the most ambitious fossil fuel financing policy of any South African bank, and also appears to set a global leadership standard among large commercial banks, by avoiding the adoption...
