About Sberbank

Sberbank is the largest bank in Russia and the former Soviet Republics. Sberbank is the biggest taker of deposits in the country and the key lender to the national economy. Its investment portfolio contains significant lending to oil, natural gas and mining projects. The bank has a large international presence, for instance in [Central and Eastern Europe](#) and has offices in Germany, China and India. The Group's corporate and investment banking business (Sberbank CIB) has offices in New York, London and Nicosia and operates globally. It specialises in brokerage and dealer services in foreign markets.
