About Shinhan Financial Group

Shinhan Financial Group (SFG), based in Seoul South-Korea, is principally engaged in the banking business. It is Korea's largest banking group by assets and profits. Shinhan Financial Group, established in 2001, operates its business through five segments: banking, securities brokerage, trust banking, and assets management to individuals, businesses, and other financial institutions. It holds 12 subsidiaries across the financial industry including bank, credit card, securities, insurance, asset management, lease and financial consulting services. In September 2020 Shinhan Bank, a subsidiary of SFG, [adopted the Equator Principles](#).

Equator Principles

Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Shinhan Financial Group is also involved, please get in touch with our [Equator Principles team](#).
