Sumitomo Mitsui Trust Holdings is a Japanese financial holding company headquartered in Chiyoda, Tokyo. It provides financial services to retail and wholesale customers, with a focus on asset management, financial brokerage and real estate. Its main operating company is the Sumitomo Mitsui Trust Bank which is the largest trust company and the fifth-largest bank in Japan measured by assets. The company has no capital relationship with the Sumitomo Mitsui Financial Group. The two banking groups are similarly named because both are descended from the historical Sumitomo and Mitsui conglomerates. Sumitomo Mitsui Trust Bank adopted the Equator Principles in 2016, and is profiled as part of BankTrack's Tracking the Equator Principles campaign.

Equator Principles

Implementation and reporting
The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs here.

Contact and complaints
The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which Sumitomo Mitsui Trust Holdings is also involved, please get in touch with our Equator Principles team.
