Re: CAO Assessment Report regarding the Central American Mezzanine Infrastructure Fund (CAMIF) (IFC Project Number: 26590) in Honduras

Dear Complainants:

Please find attached the CAO Assessment Report regarding the Central American Mezzanine Infrastructure Fund (CAMIF) (IFC Project Number: 26590) in Honduras.

As noted in the Report and as discussed with Ms. Berta telephonically, after receiving information that CAMIF was no longer actively considering investment in the Honduran sub-project, CAO is closing the case at assessment as it no longer falls under CAO's mandate.

The Assessment Report is being sent to the Sponsor, IFC, the World Bank Group President and Board and will be posted on the CAO website.

My staff and I will be pleased to discuss any details of the report with you, if you have questions.

Sincerely,
