FW: EXTERNAL: Urgent: Risk briefing and call to action for Rio Tinto financiers on the Simandou iron ore project

22 October 2025 at 14:37

[Redacted]

Dear Giulia,

Many thanks for your email.

Whilst we cannot comment on specific client relationships, we follow a clear set of sustainability risk policies which guide our approach to financing and include human rights considerations. Our broader approach to human rights is set out on our website.

Kind Regards,
