### Equator Principles

---

#### Implementation and reporting

The Equator Principles require that adopting banks publicly report on the implementation of the principles. You can find the reporting requirements for EPFIs [here](#).

FMO is reporting on the implementation [here](#).

#### Contact and complaints

The Equator Principles currently lack a formal complaints mechanism. Should you have any concerns or complaints about how the Equator Principles are being applied in a specific project in which FMO is also involved, please get in touch with our [Equator Principles team](#).

## **FMO and Finnfund seek to exit Agua Zarca**

Dutch development bank FMO and Finnish finance company Finnfund announced on May 9th that they would "seek to exit" financing the Agua Zarca hydroelectric project in Honduras. They took the decision after a court in Honduras decided on May 8th to press charges against four individuals in connection...
